

Wanted: New CAC Members!

The Special Education Community Advisory Committee (CAC) is looking for additional members for the 2008-09 school year!

- Are you a parent of a child receiving special education services in the Santa Clarita Valley?
- Do you have an interest in the educational system and want to get more involved?
- Parents of children in all special education categories are welcome!
- Here are some areas of additional interest to the CAC:
 - Parents of children with "low incidence" disabilities (orthopedic disability, deaf/hard of hearing, blind/vision impaired)
 - Parents of children with learning disabilities
 - Parents who speak Spanish or Korean

If any of the above apply to you, then we invite you to consider becoming a member of the CAC.

The CAC is made up of school administrators, teachers, special education parents and general education parents who share an interest in education for all children, including diverse learners. The CAC has 5 scheduled evening business meetings/ educational workshops for parents and professionals during the school year. Members need to live within the Santa Clarita Valley and be committed to attending a majority of our evening meetings.
